

NEBRASKA STATE DISC GOLF CHAMPIONSHIPS 2022

OVERVIEW

The Elpison Foundation ran our inaugural event at the 2023 Nebraska State Championships in Beatrice, Nebraska. Chautauqua Park in Beatrice is one of the best courses in the state. Preparing for the event, the team strove to create a high-level disc golf course with unique scoring separation while also being fair for all divisions. Ultimately, all of this was combatted when cold rain and winds rolled in for the majority of the tournament. The weather made the course play significantly tougher than anticipated and ensured that the 2023 State Championships would not be forgotten anytime soon.

COMMUNITY PARTNERSHIP

As part of our first project, we partnered with the BraveBe Child Advocacy Center located in Lincoln, Nebraska. BraveBe serves 17 counties in southeastern Nebraska including Gage county, home of Beatrice and where the tournament was held. BraveBe provides a safe place for child abuse victims to engage in forensic interviews. The BraveBe Child Advocacy Center strives to create a safe and healthy environment that can give abuse victims the support they need. The Elpison Foundation was ecstatic to be able to donate \$1,000 to their cause as part of our first event.
