CSA Box Contents

Each week you will pick up your CSA box at the farm. You will receive 5-8 varieties of vegetables in a ½ bushel box. Your box will be valued at \$25 each week. The contents of each box will change weekly depending on availability, but we will keep as much variety in each box as possible.

Remember the boxes are filled based on value not by volume, so boxes may be more or less filled depending on the contents for that particular week. We will try to fill your boxes each week with 5-10 % more than the written value to ensure that you are getting what you paid for and more.

Vegetables in your box may include the following: *tomatoes, cherry tomatoes, bell peppers, hot peppers, cucumbers, zucchini, lettuce, spinach, arugula, asian greens, swiss chard, kale, broccoli, celery, carrots, beets, radishes, turnips, potatoes, onions, garlic, green beans, kohlrabi and herbs.*

Although we keep all produce as clean and as fresh as possible on the farm, we ask that you wash everything once received and store it properly to ensure your produce is safe to eat.

CSA Pick-up

***All produce from Ryan's Natural Harvest is grown at Peace of Heaven Farm located at: 8201 285th Ave. NW Zimmerman, MN 55398**

***CSA pick-up will be at Peace of Heaven Farm on Mondays from June 8th to October 5th 9:00 a.m. to 6:00 p.m.**

When you arrive at the farm to pick up your CSA box, you will see a large walk-in cooler to the left of the house next to the pole building. There will be a sign that says "CSA Pick-up". Inside the cooler there will be a stack of CSA boxes on a small pallet. There will be a checklist that has your name. When you grab your box, put a check by your name and then return your empty box from the previous week. The boxes are reusable and are expensive, so we ask that you return them **undamaged** and unfolded (flat) each time you pick up your next box.

Vacation Policy

If you are unable to pick up your CSA box on a particular week, you have a few options:

1. Find a family member or friend to pick up your box.
2. If you contact us before the pick-up date we can hold your box an extra day.
3. You can have us donate your box.
4. If you notify us at least one week in advance of the pick-up date, you can skip that week and pick up two identical boxes the following week.
5. If you miss your pick-up and you do not contact us we will donate your box.

Cancellation Policy

Since we plan on selling everything we grow, we do not offer cancellation options once you sign up. However, if after you sign up you realize that the CSA is not for you, you can find a new member to buy out your share and you will receive a prorated refund.

We have the right to drop your membership for any reason (such as theft, vandalism, disrespect at pick-up site, etc.) with a prorated refund.

Payment

Payment must be made before the first CSA pick-up day (June 8th).
