CSA Box Contents

You have the option of choosing either a Large CSA Box or a Small CSA Box. The Large CSA Box will be filled with 7-10 varieties of vegetables in a ¾-bushel box, and the box is valued at \$35 each week. The Small CSA Box will be filled with 5-8 varieties of vegetables in a ½-bushel box, and the box is valued at \$25 each week.

The contents of each box will change weekly depending on what is in season. Remember, the boxes are filled based on value, not volume, so boxes may be more or less full depending on the contents for that particular week. We try to fill your boxes each week with 5–10% more than the written value to ensure that you are getting what you paid for and more.

Some of the vegetables you can expect to see include: *lettuce, spinach, arugula, tomatoes, peppers, cucumbers, carrots, radishes, beets, potatoes, onions, green beans, asparagus, kale, swiss chard, broccoli, cabbage, zucchini, celery, kohlrabi, and herbs.*

Although we keep all produce as clean and as fresh as possible on the farm, we ask that you wash everything once received and store it properly to ensure your produce is safe to eat.

CSA Pick-up

**All produce from Ryan's Natural Harvest is grown at Peace of Heaven Farm located at:
8201 285th Ave. NW Zimmerman, MN 55398**

CSA pick-up will either be at Peace of Heaven Farm or at the Princeton Farmers Market located at the Princeton Mall parking lot off of S Rum River Dr. and S 2nd St.

If you pick up your CSA box at the Princeton Farmers Market, simply find us there and we will give you your box. Be sure to return your box from the previous week.

If you pick up your CSA box at the farm, you will see a large walk-in cooler next to a tall grey garage. Inside you will find your size box (*either large or small*) along with a checklist with your name. Put a check by your name when you grab your box and then return your empty box from the previous week. The boxes are reusable and are expensive, so we ask that you return them undamaged and unfolded (flat) each time you pick up your next box.

CSA Pick-up Days are Saturdays from June 12th through October 9th.

Vacation Policy

If you are unable to pick up your CSA box on a particular week, you have a few options:

1. Find a family member or friend to pick up your box.
2. If you contact us before the pick-up date we can hold your box an extra day.
3. You can have us donate your box.
4. If you notify us at least one week in advance of the pick-up date, you can skip that week and pick up two identical boxes the following week.
5. If you miss your pick-up and you do not contact us we will donate your box.

Cancellation Policy

Since we plan on selling everything we grow, we do not offer cancellation options once you sign up. However, if after you sign up you realize that the CSA is not for you, you can find a new member to buy out your share and you will receive a prorated refund.

We have the right to drop your membership for any reason (such as theft, vandalism, disrespect at pick-up site, etc.) with a prorated refund.
