## **STEM CLUB**

***Grades 3 to 6***

**Yes! I would like to register.**

**Instructor:** Dennis

*Science, Technology, Engineering, & Math are an acronym commonly know as STEM. These disciplines generally combine 4 elements together to solve a problem. In STEM club you can look forward to intertwining two or more of these concepts to complete a project or to solve a problem in a challenge. Almost any good science or engineering project is really a STEM because they often draw from two or more STEM concepts. If you can design, build, test and improve on it, it can be defined as a STEM project. Students can look forward to hands on activities and purely digital projects on the computer. Come out and join Dennis for some fun and exciting STEM activities!*

**Day & Time:** Monday 3:15 - 4:10

**Start Date:** February 11<sup>th</sup>
