Grades 7 to 9: \$7,205

Grades 10 to 12: \$7,370

Sibling discount

Siblings pay discounted tuition at our school as follows: The oldest child is the 1st student and pays full fees, the next oldest child receives a **30%** discount for the tuition at that child's grade level, and all subsequent siblings receive a **50%** discount for the tuition at that child's grade level. *Sibling discounts are only available for students with a shared parent or guardian i.e. cousins are not eligible.*

B.C. Provincial Government Funding

The above tuition fees are dependent on the school receiving a provincial per student operating grant. To qualify for this grant, at least one of a student's legal guardians must be ordinarily resident in British Columbia and either be a Canadian citizen, permanent resident, or otherwise lawfully admitted to Canada. In addition, students with extended absences from school may not be eligible for the full provincial grant. If a student does not qualify for this grant, either in full or in part, the parents/guardians of the non-qualifying student will be responsible for paying the full amount of the grant lost.

4. PAD PROCESSING FEE (If Applicable)

If you select to pay the tuition fees in five payments made by **Pre-Authorized Debit (PAD)**, there will be a *non-refundable* \$200 PAD processing fee applied to each student's tuition.

5. NSF FEES (If Applicable)

There is a \$50 administrative charge applied to all payments returned by the bank. If a second payment is returned by the bank, the **Non-Sufficient Funds (NSF)** \$50 charge will be applied and payment of the remaining tuition fees in full may be required. Please make sure to notify the Finance Committee in advance if you will be unable to make a payment.

6. CANCELLATION FEE (If Applicable)

The school makes provision for instruction costs a year in advance. If a student withdraws or is asked to leave for any reason prior to September 30th, 2020, the following Cancellation Fee will be deducted from the amount of tuition fees that are eligible to be refunded. *No refunds will be issued after September 30th, 2020.* Please note that New Student Entrance Fees, CTRB fees, and PAD Processing Fees are not refundable.
