## HELP SAVE LIVES

# A Message from Mike

I want to thank all our Morgan Olson team members for the meaningful work we're doing everyday in this battle against Covid-19.

The Morgan Olson step vans we build everyday are delivering life-saving medicine and medical equipment to hospitals, nursing homes and other front line medical professionals.

If you have not been vaccinated, please join our team members who are vaccinated.

## **We stand together in our fight against COVID-19**

I also want to personally say "THANK YOU" to all our team members who have been vaccinated. Your decision helps everyone involved, including your families and loved ones.
