

# Healthcare Without Boundaries

The Premium Digital Telemedicine Platform (แพทย์ทางไกล.com)

**Consult a Doctor  
Anytime, Anywhere.**

A modern healthcare ecosystem connecting patients to licensed medical specialists quickly, safely, and securely.

# The New Digital Standard for Care

	Traditional Care	The Digital Standard
Time to Care	Hours lost in waiting rooms.	✓ Fast, instant access to medical professionals.
Location Constraints	Physical travel to crowded clinics.	✓ Accessible anywhere, supporting both domestic and international users.
Medication Retrieval	Waiting in pharmacy queues.	✓ Digital prescriptions with direct doorstep delivery.
Privacy & Safety	Public waiting areas.	✓ Highly secure, private, and personalized digital environment.

# A Seamless Patient Journey

## Assess (Online Consultation)

Real-time Video Call or Chat for initial symptom evaluation and immediate medical advice.

## Prescribe (Digital Pharmacy)

Physicians issue digital prescriptions, coupled with instructions and direct-to-home medication delivery.

## Plan (Advance Appointments)

Scheduled specialized care. Select specific doctors, choose convenient dates/times, and receive automated pre-appointment alerts.

## Manage (Health Consultation)

Ongoing care covering general health inquiries, chronic disease management, and treatment tracking.
