Dear Community Partner,

As we begin preparing for this year's football season, the Corona High School Football Booster club is reaching out to our community to gather support to help continue to grow our ever-improving Football Program. Recently the program took a very positive step forward by hiring Coach Andy Diaz to lead the program. His tireless efforts to promote football to as many young men as possible have proven successful. The always proud Panther football team is once again poised to take its place as a premier program in the Inland Empire.

As businesses suffered due to the pandemic, so did the fundraising efforts of our team. Without fundraising, our program cannot meet the needs of our team. Much like you and your families, the Corona Football team has been resilient in these trying times. We have hit the field and the weight room harder than before. We have a new group of young men who are building a future for themselves and a legacy for our school.

We estimate that it will take \$75,000 to fund the program which includes training equipment, coaches, classroom academic support and trainers for all of these student athletes. Unfortunately, the School District provides very limited funding for the Football Program needs. This is where the Booster Club comes in. It is with great urgency that we are reaching out to you for your support.

We are seeking business partners for the Jess Hill Stadium, along with individual player and team sponsorships. Our stadium is located on Lincoln Avenue, a major traffic corridor. Your logo will be highly visible for all Corona High Football games as well as many other community groups that utilize our campus.

Our program is flourishing, however, the program cannot be sustained without the efforts of parent volunteers and community partners. There are various ways to show support for these amazing young student athletes. Corona High School Football Booster Club is open to any proposal for promoting your business or service that will help both your business and our program thrive. We are excited to establish growing partnerships within our community. Looking forward to bringing our Teams together.

Thank you for your time, donation, and support.

Sincerely,
Corona High School Football Booster Club

Disclaimer of Liability: The Corona High School Football sponsorship program is a fundraising effort implemented through the use of volunteers (primarily parents and students) with assistance of a professional printing company. As such, every effort is expended to ensure both the accuracy of the content within the program, as well as the artistic layout and creativity of each element and the overall program. Unfortunately, errors do occasionally creep into the process. The customer understands and agrees that the Football Booster Club is under no obligation to refund part or all of their costs or to make any other financial concessions if the resultant sponsor is unsatisfied, for whatever reason, fault, and/or negligence.

Upon receipt of payment, Corona High School Football Booster Club will contact you with regards to obtaining your Advertisement if applicable.
