Should you have more kids show up than expected, you can easily add them to your party by paying for their drink and food for the afternoon sessions. Average between \$6-\$7 extra per child. The Nighttime session would require payment for the additional child's food, drink AND shoes. Average between \$11-\$12 per child.

10 and 15 Kid Package Party Guidelines:

***No outside food or drinks except for your cake/cookie cake and ice cream.** We can keep your ice cream in the freezer for you! Please also tell your adult guests no outside food or drinks.

*Any adult that is joining in on the bowling fun may do so but will need to pay for their shoes.

***Party cannot be booked until the non-refundable deposit is received.** Remaining balance due on the day of the party or any time before.

*You have the party room for the first 2 hours of your 3-hour party. This time is spent allowing time for everyone to arrive, welcoming your guests, issuing arcade cards to the participants for play in the arcade room. Your party food is delivered by us at the 2nd hour of your party. The 2nd hour is normally spent enjoying the party food, cake and ice cream and presents!

*The 3rd hour of your party is for your hour of bowling. At this time, the party room needs to be cleared out so we may come in and clean up and get ready for the next party.

*Please give goodie bags out at the end of the party when your guests leave.

*You may arrive 10 minutes prior to the reserved time if needed to set up your party.

Additional Need To Know Tips:

-We provide paper products for only the party package count. If you would like for us to supply the plates and forks and napkins for your additional party guest, we can do so for an additional \$5.00 for up to 10 more sets.

-PLEASE DO NOT PLACE NOISE MAKERS IN YOUR GUESTS GOODIE BAGS.

-Food will be served sharply at the 2nd hour.

-If you know ahead of party day about how many additional pizza/hot dogs you will need please let us know as soon as possible. We are a small cooking area and need approximate counts in order to better serve everyone. Otherwise, there may be a delay in getting your additional items as we must consider the other reserved parties that are waiting on their items as well. Thank you for understanding!
