

Portchester Community School

Citizenship Vision

Successful students who

- Can use PCS as a reflective tool within the lessons.
- Can work in groups to help motivate and inspire others in class.
- Read local and national newspapers to understand how the topics relate to what is happening in the world.
- To complete homework so they can develop their knowledge and understanding allowing them to make good progress.
 - To value the topics studied and to be respectful towards others around them.

Confident students who

- Are confident when sharing their own views and opinions within class discussions.
 - Ability to work with others in a mature way.
- Be able to relate their own situations and experiences with the rest of the class.
- Can compete during different challenges within the Active Citizenship project.

Responsible students who

- Complete homework that is set.
 - Follow the classroom rules to show respect to others around them.
- Appreciate other cultures and customs when looking at newspaper articles.
 - Use the justice system in Britain to understand what is right and wrong.
 - Take on leadership roles within the mock trial to support and help others.
 - Listen to other peoples views and opinions.
