

College Open Events (South Hampshire) – 2023/2024

What to do before attending an open day:

- Before attending any open event, please confirm the need to book, date(s) and times with the college or sixth form.
- Read through the prospectus to help you plan which courses you want to know more about.
- Make a list of questions to ask.
- Plan to create a positive first impression on the college staff you talk to at the event: one of them could be your future tutor!
- Can't make an open event? **Many colleges have virtual open days, tour videos and other information on their website, which are available all year round.**

Please note: these dates and timings are correct as of **06.09.2023** and are subject to change – we would urge you to check the college website regularly, prior to attending.
