

Portchester Community School

Health and Social Care Vision

Successful pupils who

- Know the different mark bands and how they can be used to achieve their potentials.
- Can identify their own strengths and weaknesses which encourages them to be more independent with their learning, whilst being reflective and using PCS to help support them when needed.
- Are enthusiastic about the different topics and practical activities which allows them to enjoy their learning and gain rewards on making progress.

Confident pupils who

- Are confident working within groups to lead different sessions and activities to clients at Castle Street Centre.
 - Have good communication skills to share their own experiences with other pupils.
- Be confident to look after babies as part of their virtual baby programme to make sure the baby lives a safe and healthy life over a weekend.
- Can step out of their comfort zone and challenge themselves to be confident when completing first aid situations.

Responsible pupils who

- Attend, take part in the Castle Street Project – working with older clients.
 - Show resilience to learn by attending revision classes after school.
- Show respect to other pupils within lessons allowing them to give their views and opinions.
 - Be willing to appreciate other cultures and customs when visiting local nurseries.
- Complete the babysitting qualification in which they can then make a positive contribution to helping others in society.
