**Wednesday 9th October 2024**

**Core Curriculum Information Meeting - Main Hall 5-6pm  
Post-16 Institutions & Training Providers - Sports Hall 6-7pm**

Dear Parent/Carer of Year 11 pupils

I am writing to invite you to a forthcoming event which will provide you and your child with invaluable information to help them navigate their way through the next few months of Year 11.

The aims of the evening are; to share with parents and pupils essential information to help the pupils prepare for their core subject practice public exams in October/November, and secondly to look at the options available locally for when they leave school.

The event starts at **5pm in the Main Hall** with Subject Leaders from the 'Core' subjects outlining the expectations and curriculum for a successful final year of GCSE studies. The core Subject Leads will share with you the essential information regarding how to achieve the results needed to support positive post-16 applications in their subjects. We will be looking at how to answer questions, timings and necessary revision in order to succeed.

**From 6pm** you will have the opportunity to meet representatives from our local Post-16 institutions and training providers in the Sports Hall.

As you are aware, all pupils now must stay in Education or Training until the end of the year in which they are 18. By having the opportunity to speak with representatives from colleges and local training organisations here at Portchester Community School, they will be better prepared, when attending college open evenings and training provider events, to make an informed decision.

There will also be an opportunity for you to meet with our independent Careers Adviser - Benia Sztucki. Additional appointments can also be scheduled for more bespoke support following this evening.

We are sure that you will find the evening both interesting and informative. We look forward to welcoming you on the 9th October 2024. Please complete and return the slip below to support preparations for the evening.

Yours sincerely

Mr P. Walton
