The Governing Body recognise that promoting the welfare of children and young people is integral to the recruitment and selection process and essential to creating a safe environment for children and young people. The aims of the school’s Recruitment Policy are therefore to: attract and appoint the highest calibre of applicants; undertake recruitment and selection activities in a fair and transparent way and to ensure safer recruitment guidelines are followed to deter, identify and reject applicants and volunteers who are unsuitable to work with children and young people.

In accordance with the School Staffing (England) Regulations 2009, at least one person on an appointment panel will have undertaken safer recruitment training.

The full Recruitment Policy is available on request to any member of staff and all prospective applicants and volunteers.

The school’s Child Protection policy and Safeguarding policies are available on request or on the school’s website www.portchester.hants.sch.uk

Applicants selected for interview are asked to refer to the “Pre-employment checklist for Candidates” sent with the interview invitation letter and bring documentation as outlined. This will include original qualifications certificates and proof of identity (preferably photographic, such as a photocard driving licence or passport).

In order to meet our legal obligation under the Immigration, Asylum and Nationality Act 2006, the school must ensure that evidence has been seen and checked to confirm eligibility to work in the United Kingdom. Therefore, candidates selected for interview must bring relevant documentation to confirm this, as outlined in the Pre-employment Checklist for Candidates.

Thank you for your interest in this post at Portchester Community School.

Disclosure and Barring Service Policy Statement

Portchester Community School complies fully with the [Disclosure and Barring Service Code of Practice](#). We undertake to treat all applicants fairly and not to discriminate against anyone on the basis of conviction or other information provided.

Having a criminal record will not necessarily prevent an individual from being employed by a Hampshire County Council school. This will depend on the nature of the role, professional suitability and the circumstances, nature and background of the offences.

Portchester Community School recognises that access to criminal record information has to strike a balance between the rights of children and the vulnerable in society, an individual's right to privacy and the rights of ex-offenders to become rehabilitated into society.

We also use the Disclosure and Barring Service to support Hampshire County Council's corporate aims, specifically its commitment to ensuring that children and vulnerable groups are protected from harm with their welfare at the forefront of the Council's work.

We undertake to ensure that confidential and sensitive information about an individual's criminal record is handled fairly and properly and in accordance with the relevant legislation.

The policy statement will be reviewed at least annually.
