Formal minutes from the Full Governing Body meetings, once approved, are stored electronically on the GovernorHub platform and in printed within a ring binder located in the school reception area. All minutes are graded either public or confidential, all public minutes are available for anyone to request.

Governing Body structure

The Governing Body are required to review its overall committee effectiveness, structure and membership annually. The Governing Body will appoint a Pay Committee and a HT Performance Panel annually. All other business remains under the remit of the Governing Body.

Governor Committees to hear Appeals, Disciplinary or other matters are held by a minimum of three (3) members of the Governing Body. Subject to regulations, the Governing Body will make provision for staff disciplinary and appeal, pupil discipline and admissions committees by reviewing the terms of reference each year.

Terms of reference must be reviewed annually by the Governing Body at their first meeting of the academic year for ratification. Committees will elect their own chair, who will not be a member of staff or an associate member. Committees will be clerked by a trained individual who is not a member of the committee.

Membership & Voting Rights

Each full member of the Governing Board has a single vote. Members on Pay and HTPMR committees are sourced from the Full Governing Body and this is done so on a voluntary basis.

The Governing Body will ensure it has sufficient governors to undertake its duties effectively and to maintain the quorum for a full Governing Body meeting. The quorum should consist of at least 50% of governors.

All governors will be appointed for a four-year (4 year) term of office.

The Governing Body will ensure that it creates an environment which enables it to recruit and retain effective governors and which encourages the participation of all groups and sections of the community. The Governing Body will be proactive in recruiting governors, whose appointment is their responsibility.

The Governing Body may consider an appointment of an Associate Governor who is appointed to complete a relevant task that they are experienced in. This member has no voting rights, they will report back to the Board as appropriate.

The Clerk will inform the Governing Body of any impending vacancies one term in advance. Members of the Governing Body will give a term's notice of their intention to resign or to not stand for re-election whenever possible.

Appointment of Clerk

The Clerk will be provided under contract from Governor Services, unless or until the contract is terminated. The terms and conditions for clerking will be provided by Governor Services and must be adhered to. The Governing Body will support the Clerk in their continuing professional development, for example, the Clerks' Accreditation Programme, the Clerks' Development Programme, support meetings, and whole Governing Body training.

Meetings

An annual calendar of dates for main and committee meetings will be agreed, set and published. Consideration will be given to individual governors' availability with dates and times being agreed which do not consistently disadvantage the same person/people. The Governing Body will, as far as possible, plan its business across the year to take account of the school's internal management cycle and the ready availability of information and reports.

The Governing Body will hold at least the minimum number of meetings necessary to ensure the strategic business of the school is properly addressed. The programme of meeting agendas will have a focus on the governors' responsibilities in monitoring progress and evaluating outcomes of the School Improvement Plan, within the full range of Governing Body responsibilities.

Agendas and all supporting papers will be circulated at least seven (7) days prior to meeting dates to enable sound discussion and for decisions to be made. Minutes will be produced and circulated within 14 days after a meeting and formally agreed after a review at the next meeting.

Recording the acceptance of apologies does not imply the consent of the Governing Body for a governor to be absent with regard to the disqualification regulations for non-attendance. Consent for absence may be granted by the Governing Body on request from governors who know they will be unable to attend meetings for an extended period. Where a governor's pattern of attendance is causing concern, they will be alerted to this by the Clerk or Chair.

The Governing Body will aim to complete full governing body (FGB) and committee meetings within two hours.

Governors will make themselves available to meet with parents who wish to do so at key times during the year, for example parents' evenings and admission events.
