We can offer:

A school that is moving towards outstanding.

A school with a calm and considered environment.

A school that students, staff and the community feel proud of.

Portchester Community School is a medium sized, forward-looking 11-16 Community School and enjoys a good reputation in the local community. Within the school we also have a resourced provision for physically disabled students who are integrated fully into the life of the school, which brings a richness and variety to the curriculum and adds to our extensive after school provision. As a community school we also have a nursery and a pre-school.

The school also continues to pride itself on its caring ethos and is widely recognised for its Rights, Respect and Responsibility (RR&R) work. Our community engagement work has been a powerful vehicle at the school for promoting positive relationships and cultural awareness. Many students have had exceptional opportunities to travel and engage in new and exciting experiences both in the UK and abroad.
