Message from Mr Shaul

At the time of writing, Year 11 students are about to have their final Parents Evening ! We are at the stage in the year whereby 'final' events for students begin to creep up quickly. Once this evening is complete, I will begin to prepare their final Celebration Assembly for Monday 27th March as we approach the end of Spring term next week.

Much of the focus this term has been around the mock exams that have taken place. Many of these have been positive for the students, however, my message to students is that it is never too late to make a change or begin revision.

Mrs Gee (exams officer) has been busy holding individual appointments with every Year 11 student to ensure they are prepared and understand the requirements of public exams. Additionally, I would like to remind all students that revision sessions for Maths (Mondays) and English (Thursdays) is ongoing each week after school. The Easter revision timetable and exam timetable have also both been published on the school website.

I would like to wish all students the best of luck in their personal preparation for the exams and continue the good work you have put in so far this year!

The PCS Year 11 Leavers Prom

Year 11 held a successful Bake sale on Monday 6th March to raise funds for the Prom (picture below) £109 was raised.

Preparations and planning for the Prom are well underway. Thank you to parents and students who have volunteered their time and services to help make what we hope will be a fabulous celebration for the students. 105 students have paid their deposits for the Prom.
