Message from the Year Team

Students in year 9 have continued to explore the topic of Online Sexual Harassment. They had a session of Questions and Answers with Lee from Online Safety and their feedback has been very positive, most finding the session very informative!

Building upon the work done in SMSC sessions, Year 9 also watched a production called "The Power of Love" by the Solomon Theatre Company, exploring issues such as healthy relationships, grooming and exploitation.

Our Year 9 boys football team has gone through the district cup semi-final and will be facing Cams Hill School in the next round!
The girls' volley-ball team have gone to the final stage after winning 2-0 against Horndean Technology College!
Congratulations to Mille T for finishing 9th after 51 competitors in the Southern England Trampolining championships!

Mrs Finch and I would like to wish you and your families a great Easter!
Mrs C Lanham

Just a few shots from this half term!

Attendance

Well done **9SW** for winning the attendance trophy this half term! Collectively their attendance is 90.93 %.

I am pleased to report that 72% of the group of students, whom Mrs Finch has been working with since January, have improved their attendance this term! This is great news, and I am sure they can all see the benefits of being in school more! Well done!

Merits

This half term, I have worked with a group of students who were not receiving many merits in lessons. They all got given a Merit Booster card and had to fill it up to win a chocolate bar! This has been a huge success for them! Having their own individual card has given them the confidence to shine in their lessons and they should be very proud of their efforts!

I am also pleased to say that we have had our first students receiving their Gold badges!
