If students have applied to study at HSDC and did not get the grades they were expecting/would like to change their course, we are asking that they still attend their enrolment interview at the given date/time to discuss their options, to allow us the time to find them a suitable course, rather than phoning/emailing our student recruitment team on results day.

If students have not applied to study at HSDC, but would like to apply for one of our courses, we will be welcoming walk-in applications during our enrolment period which is beginning on Friday 21 August - Tuesday 1st September.
