Dear Parent/Carer of Year 11 students

**Wednesday 12 October**  
**Core Curriculum Information Meeting- Main Hall - 5-6.00pm**  
**Post-16 Institutions & Training Providers - Sports hall – 6-7.00pm**

The aims of the evening are; to share with parents and student’s essential information to help the students prepare for their mock core exams in October/November, and secondly to look at the options available locally when students leave school.

The event starts at 5pm in the Main Hall with Subject Leaders from the ‘Core’ subjects outlining the expectations and curriculum for a successful final year of GCSE studies. The core Subject Leads will share with you the essential information regarding how to achieve the results needed to support positive post-16 applications. We will be looking at how to answer questions, timings and necessary revision in order to succeed.

From 6pm you will have the opportunity to meet representatives from our local Post-16 institutions and training providers in the Sports Hall.

As you are aware, all students now have to stay in Education or Training until the end of the year in which they are 18. By having the opportunity to speak with representatives from colleges and local training organisations here at Portchester Community School, they will be better prepared, when attending college open evenings and training provider events, to make a really informed decision.

There will also be an opportunity for you to meet with our independent Careers Adviser - Benia Sztucki. Additional appointments can also be scheduled for more bespoke support following this evening.

The evening will be divided as follows:

- 5-6.00pm Core Subject Information session, Main hall
- 6-7.00pm Post-16 institutions & Training Providers, Sports hall

We are sure that you will find the evening both interesting and informative. We look forward to welcoming you on the 12 October 2022. Please complete and return the slip below to support preparations for the evening.

Yours sincerely

pp

Miss J Grew  
Assistant Headteacher
