GCSE PREPARATION 2024

Year 11 Key Events upcoming in Summer term

Thursday 9th May 2024 – GCSE examinations begin
FULL GCSE EXAMINATION TIMETABLE PUBLISHED SEPARATELY

Message from Mr Webb

Many thanks to all pupils and parents who attended the Parents' Evening on the 13th March. Please do consider the points raised from the Pre-Public Examinations and develop a strong revision schedule to address any areas for development or misconceptions.

Subject Enhancement Sessions – These are, of course, ongoing. Pupils must attend, this is to ensure best outcomes. Participation in the Prom is still determined by attendance at Enhancement Sessions and overall school attendance. This is to underline the fact that pupils need to be responsible for their own learning, and their own successful completion of the GCSE summer examinations. I will write again to set the new timetable for these sessions shortly, which will change according to outcomes from the Pre-Public Examinations and relaunch.

Feedback from the Pre-Public Examinations

I thought I would also share the pupil view of the Pre-Public Examinations. I would highlight the need for all to be doing revision for all subjects. However, a strong positive outcome of the PPEs is that there is a strong forward looking attitude. (See below).

Year 11 Revision Sessions Easter
