Deposit Terms and Conditions:

The buyer, _____, agrees to place a NON-REFUNDABLE and NON-TRANSFERABLE deposit on a puppy of their choice. The puppy shall remain with the seller/breeder, Nicole Robinson, until the listed date of pick up above.

I am aware that my deposit of _____ is non-refundable should I change my mind and decide I do not want or am unable to pay the outstanding balance of _____ for the puppy by the date listed for pick up. I also understand that my deposit is non-transferable to another puppy at any time.

The buyer must pay the remaining balance of the puppy at least 72 hours before the puppy is transported with a pet transporter or flight nanny, unless otherwise stated in the additional notes section of this contract.

The buyer acknowledges that shipping fees are not included in the cost of the puppy and must be paid separately if shipping is required. Shipping rates vary and need to be agreed upon prior to signing this contract.
