Meet Dr. Hoang

Dr. Vi Hoang came to America when she was 7 years old and grew up in Houston, Texas. She received her undergraduate degree at Baylor University and went on to receive her Doctorate of Dentistry at the University of Texas Health Science Center in San Antonio. After dental school, Dr. Hoang moved back home to Houston with a desire to give back to her beloved hometown. She believes in providing quality dental care through building lifelong relationships with her new patients. In her free time she enjoys spending time with her family and exploring the diverse food culture that Houston has to offer.
