WHO WE ARE

Renegade DC Is Expanding Into Events

Renegade DC is a Washington-based strategic communications firm renowned for shaping narratives and connecting the right people in the right rooms.

Now, we're bringing that same precision and instinct to live experiences.

OUR APPROACH

Not Just Events. Moments That Matter.

Thoughtful. Strategic. Beautifully executed.
But make no mistake—our events are designed to get noticed.

If you're looking for something safe, we're probably not your team.

If you want impact? Let's talk.

THE RENEGADE DIFFERENCE

We Build Rooms That Matter

We create energy, spark conversation, and curate guest lists with intention.

Every detail is designed to travel beyond the room —into media, social, and culture.

**We don't do filler.
