About Pearly Gates Publishing, LLC

Pearly Gates Publishing, LLC (PGP) offers professional quality publishing products focusing on Christian perspectives and values. Costs for services are designed *NOT* to create financial burdens for authors. Typical costs to publish with PGP average \$1,900.00 (USD) – with packages that compare to some other publishing houses that charge upwards of \$5,000.00 or more. All authors who contract with PGP bring something different to the table, but **EACH** and **EVERY** one tells his or her unique story from a Christian viewpoint. They provide their respective audiences with empowering, inspirational, uplifting, and educational messages as only they can!

Pearly Gates Publishing, LLC's Mission

Pearly Gates Publishing, LLC's (PGP's) mission is to reach as many people as possible—Christian and non-Christian alike. **GOD** has been doing a *MARVELOUS* work through PGP since its inception in January 2014. Subjects range from spirituality, mental health issues, autobiographies, anthologies, youth issues, and so much more. A significant aspect of many PGP books is an opportunity for readers to record and journal his or her way through many of the generated teachings while reading!

A vast majority of PGP's authors' books have made the desired **Amazon Bestseller List**. Many have made the coveted **#1 SPOT**, with one of our youngest authors being the recipient of that honor.

NOTE: We are a full-service publishing house and can provide professional a la carte support for self-publishing authors as well.

Connect with **Pearly Gates Publishing, LLC** today!

Let's work together to “*get that treasured 'Book Baby' out of YOU*” and into the hands of **YOUR** waiting audience!

You're going to be *someone's FAVORITE AUTHOR!*

Service Descriptions for Publishing Packages

Publish Work in Softcover Format:

Pearly Gates Publishing, LLC currently publishes all books in softcover format **only** (*hardbound and audiobook options are available at additional costs*). You have the choice to have your softcover formatted with a matte or glossy exterior. Whether you choose a black and white or color **interior**, your book is made from high-quality materials from cover to cover!

ISBN (International Standard Book Number) and Bookland EAN Barcode:

An ISBN is a 10-digit number assigned to every publication, recording details such as language, author, and publisher. Each project (i.e., book, eBook, audiobook) is assigned its own ISBN. An ISBN is **not** optional when distributing published works online and in stores. Booksellers prefer to use a machine-readable or scannable version of the ISBN in their systems' processing. The Bookland EAN Barcode is the most widely-used barcode format in the publishing industry, as it encodes the ISBN and may also include the retail price.

Line Editing and Revision:

Pearly Gates Publishing, LLC works closely with each author to ensure his or her written works are the absolute best product being placed before the public. The author's "voice" remains true as our editing team works tirelessly to edit and revise your work for flow, grammar, transitions, and more – one line at a time.

Worldwide Book Distribution:

Available only with the Gold and Elite Packages, worldwide book distribution allows for your book to be ordered by and delivered to customers in other areas of the world, such as (but not limited to) the United Kingdom, Australia, and France through the leading book wholesaler in the United States.

Subject to specific channel limitations, titles will be made available for sale on online bookstores, such as Amazon, Barnes & Noble, and Walmart. As well, your title **may be** picked up by other resellers (brick and mortar stores) who purchase their stock from IngramSpark's *Books in Print* Database.

Complimentary Author Proof and Author Copy:

During the production process, you will receive and review one (1) *FREE* softcover copy of your book. The immense feeling of **JOY** you will gain from holding **YOUR** fully-published book in your hands is indescribable!

Library of Congress Control Number (LCCN):

With an LCCN through Pearly Gates Publishing, LLC, your book will be registered and linked to the United States Library of Congress, libraries throughout the United States, bibliographic utilities, and other book vendors. An LCCN is a unique identifier that assists with cataloging data, which the Library of Congress and third parties make available on the Web and through other media sources.

U.S. Copyright Registration:

Registering your written work with the U.S. Copyright Office provides a public record of your ownership of your literary work. Pearly Gates Publishing, LLC will complete and submit the necessary documentation to the U.S. Copyright Office along with a final copy of your book. Upon completion of registration, you will receive an official certificate that verifies your book's coverage under U.S. copyright laws and regulations.

- Copyright fulfillment timeline –
 - Copyright forms are completed and sent to the U.S. Copyright Office with a copy of the final version of your book.
 - Ranging anywhere from 12 – 18 months after submission (*could be longer due to the influx of applications*), you will receive printed notification of the completed process in the form of a Certificate of Registration.
 - Pearly Gates Publishing, LLC will maintain a *copy* of the record in their office.
 - Copyright will be exclusively in the author's name.

Cover Design and Interior:

Pearly Gates Publishing, LLC employs a Graphic Artist who designs *magnificent* cover art for our authors. Bring your vision to life! Unsure or have no idea what would best suit your specific cover? The Graphic Artist works relentlessly to provide you with cover art that best resembles your title's and book's *purpose*.

Some interiors require color artwork, while the vast majority are black and white print only. The choice is yours! It must be noted that there are additional costs associated with printing color images on your **interior** that are passed on to the end-user (your audience), so be sure to choose the option best suited for your vision!

eBook Formatting and Distribution:

Don't stop at a print edition of your book: **Go digital!** eBooks are a very popular and convenient source for the end-user. Pearly Gates Publishing, LLC will help you reach a broad audience by formatting your book for the most commonly-used electronic reading devices. Each ePub service requires a specific format, and we know how to get it done! Gain recognition by making your book available with an online presence!

***NOTE:** Pearly Gates Publishing, LLC makes every reasonable effort to ensure the formatting of the digital version reflects the format of the print edition of your book; however, some design elements are not supported (i.e., eReaders that do not support color images or "odd" font styles).*

Image Insertion:

It is said that a picture speaks a thousand words. Some written works are accentuated with the effective use of imagery. Depending on the package you choose, properly formatted images in either black and white or color will add the impact you intend for your audience to capture!

***NOTE:** Only attribution-free images or those with written copyright permission from the creator (i.e., artist, photographer, etc.) are welcomed to be used in your work. Copy/paste from Google or any other online search engine will be permitted without the permission above. Think about it: You wouldn't want **YOUR** written works used without permission (that's called Copyright Infringement and applies to images, too)!*

INSPIRING CHRISTIAN AUTHORS TO BE AUTHORS

Free Softcover Copies:

Depending on the package you choose, you will receive a limited number of **FREE** final versions of your softcover book to distribute to family, friends, your local library, or whatever you opt to do with them. If you desire any additional copies above the **FREE** ones, you will purchase them at wholesale cost (plus tax, shipping/handling, and a 5% administrative fee). *The wholesale price is determined by the distributor and varies according to factors such as page length, size of publication, and interior design choice.*

Promotional Materials / Rack Cards:

All packages include **FULLY-CUSTOMIZED** promotional materials to distribute. Available option is: Rack Cards (3" x 8", one-sided, glossy). Promote your book wherever you go with these handy promotional tools!

Live Interview:

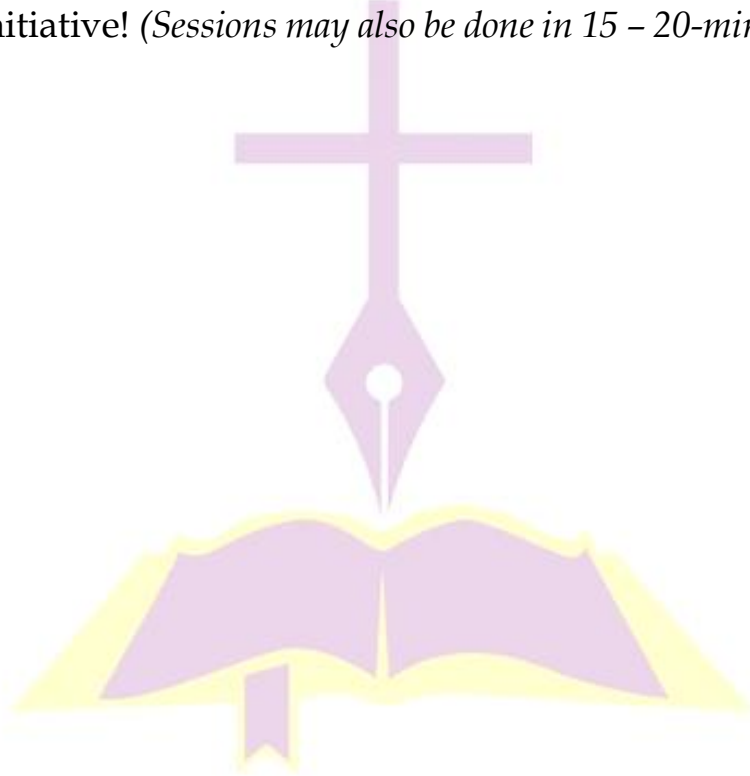

Pearly Gates Publishing, LLC will schedule a 3 - 5-minute live interview for signed authors after their books have been released for distribution. This is an opportunity to share your inspiration for writing and so much more with a **PHENOMENAL** host—and, of course, to **PROMOTE** yourself and potentially gain a new following!

NOTE: *Interviews will be scheduled within one month after the book's official release.*

INSPIRING CHRISTIAN AUTHORS TO BE AUTHORS

60-Minute One-on-One Literary Coaching Session:

Available with the Elite Package only, spend a total of 60 minutes speaking one-on-one via phone, Skype, or Google Hangout with the Chief Editorial Director of Pearly Gates Publishing, LLC! Take your writing to the next level as you are expertly guided through the writing process. Whether you're a new author or a seasoned pro, there's something for you to learn that will sharpen your writing skills – and your reading audience will appreciate that you took the initiative! *(Sessions may also be done in 15 – 20-minute increments.)*
