

LONDON BUTTERFIELD, P.H.D.

CURRICULUM VITAE

CONTACT INFORMATION

Phone: (321) 277-5422
Email: dr londonbutterfield@gmail.com

LICENSURE/CERTIFICATIONS

- Licensed Psychologist, State of Florida, License # PY9503
- PSYPACT APIT Certified, APIT # 19270 (Issue date 8/2/2024)
- ABPP-CN eligible; ABCN written examination passed 3/2020, ABCN sample approval/oral examination pending

CLINICAL INTERESTS

- Adult and geriatric clinical neuropsychology
- Movement disorders
- MCI and dementia
- Acquired brain injury
- Rehabilitation neuropsychology/psychotherapy

RESEARCH INTERESTS

- Apathy, mood, and cognition in Parkinson's, Huntington's, and other neurologic disease
- Healthy aging, Prevention of cognitive decline, Intervention development/implementation
- Emotion, cognition, frontal lobe processes, quality of life, caregiver issues

EDUCATION & TRAINING

- 2014-2016 **Neuropsychology Postdoctoral Fellowship, Research & Clinical, Program Development**
University of Florida, Gainesville, FL
Faculty Advisor: Dawn Bowers, Ph.D., ABPP-CN
Clinical Supervisors: Dawn Bowers, Ph.D., ABPP-CN & Glenn Smith, Ph.D., ABPP-CN
- 2013 **Doctor of Philosophy, Clinical Psychology, Neuropsychology track (APA-accredited)**
University of South Florida, Tampa, FL
Dissertation: Apathy in Parkinson's Disease: A Behavioral Intervention
Faculty Advisor: Cynthia R. Cimino, Ph.D.
- 2011-2012 **Clinical Internship, Neuropsychology track (APA-accredited)**
University of Florida, Gainesville, FL
Rotations: Adult & Geriatric Neuropsychology (12 months); Pediatric Neuropsychology (8 ½ months); Medical/Health Psychology (3 months); Psychotherapy (12 months)
Clinical Supervisors: (Neuropsychology) Russ Bauer, Ph.D., ABPP-CN; Dawn Bowers, Ph.D., ABPP-CN; Catherine Price, Ph.D., ABPP-CN; Duane Dede, Ph.D.; Shelley Heaton, Ph.D.; Kerry Silvia, Ph.D.; Michelle Keiske, Ph.D.; Stephen Boggs, Ph.D.; (Clinical & Medical/Health Psychology) Lori Waxenberg, Ph.D., ABPP-CHP; Robert Guenther, Ph.D., ABPP-RP; Glenn Ashkanazi, Ph.D.; Christina McCrae, Ph.D., CBSM; Deidra Pereira, Ph.D.; Patricia Durning, Ph.D.
- 2008 **Master of Arts, Clinical Psychology, Neuropsychology track (APA-accredited)**
University of South Florida, Tampa, FL
Thesis: The influence of apathy and depression on cognitive functioning in Parkinson's disease
- 2002 **Bachelor of Arts, Psychology, Magna Cum Laude**
Rollins College, Winter Park, FL

CLINICAL EXPERIENCE

Butterfield Neuropsychology

01/2025 – present **Clinical Neuropsychologist/Owner**

- Comprehensive adult outpatient neuropsychological evaluations

Minder Memory Center, Teleneuropsychology

9/2024 – present **Clinical Neuropsychologist**

- Comprehensive adult outpatient neuropsychological evaluations (conducted remotely via telehealth)

BayCare Medical Group/St. Anthony's Hospital, St. Petersburg, FL

7/2016 – 9/2024 **Clinical Neuropsychologist**

- Comprehensive adult outpatient neuropsychological evaluations
- Train & supervise psychometrists
- Psychoeducational presentations within hospital and surrounding community
- Committees:
 - BayCare Memory Disorders subcommittee for dementia assessment (to determine appropriate procedures for identifying and appropriately triaging individuals at risk for dementia)
 - BayCare Neuroscience Service Line, Neurocognitive subgroup (goals include expanding availability of Memory Disorder Centers and other neurocognitive services throughout the BayCare Health system)
 - Diversity Outreach Committee (to improve dementia education, awareness, and outreach to minority populations within the city of St. Petersburg; focus on Black, Hispanic, and LGBTQ+ communities)

University of Florida/Shands Hospital, Gainesville, FL (Post-doctoral Fellowship)

2014 - 2016 **Clinical Neuropsychology Fellow** (clinical component of fellowship)

2015 – 2016 **Clinical Neuropsychological Assessment, Aging & Memory Clinic**

- Comprehensive adult outpatient neuropsychological evaluations
- Supervisor: Glenn Smith, Ph.D., ABPP-CN

2014 - 2016 **Psychotherapy & Psychotherapy Supervisor**

- Psychotherapy intakes and psychotherapy. Populations served: Conversion disorder, Gender Dysphoria, Adjustment disorder (related to severe TBI, PD, myoclonus), Major Depressive Disorder, Bipolar Disorder, Anxiety Disorder NOS, Autism Spectrum Disorder, Post-traumatic Stress Disorder, Apathy related to Parkinson's disease, anger management. Supervisor: Dawn Bowers, Ph.D., ABPP-CN; Glenn Ashkanazi, Ph.D.
- Supervised graduate student therapists: Amanda Garcia, M.S., Jackie Maye, M.S., Talia Seider, M.S., Josh Kirton, M.S., Erin Trifilio, B.A., Sarah Szymkowicz, M.S.

Clinical Psychology Associates of North Central Florida (CPANCF), Gainesville, FL (part-time)

2012 – 2013 **Neuropsychology Resident**

- Individual psychotherapy (adult) and comprehensive outpatient and forensic neuropsychological evaluation (adult and child).
Supervisor: Ernest Bordini, Ph.D.

University of Florida/Shands Hospital, Gainesville, FL (part-time)

2012 - 2014 **Psychometrist/OPS Staff**

- Comprehensive adult outpatient neuropsychological and competency evaluations.
Supervisors: Duane Dede, Ph.D.; Dawn Bowers, Ph.D., ABPP-CN

University of Florida/Shands Hospital, Gainesville, FL (Pre-doctoral Clinical Internship)

2011 – 2012 **Psychology Intern (APA-accredited)**

Neuropsychological Assessment Service (adult & pediatric)

- Comprehensive outpatient neuropsychological assessments and feedbacks provided across six adult and pediatric neuropsychology clinics:

Center of Movement Disorder & Neurorestoration (CMDN)

- Populations: Movement disorders (Parkinson's, Huntington's, corticobasal degeneration, multiple sclerosis, dystonia), memory disorders (i.e., Alzheimer's, vascular dementia, Parkinson's disease dementia, Lewy body, MCI), TBI, seizures
Supervisors: Dawn Bowers, Ph.D., ABPP-CN; Michelle Keiske, Ph.D.

Memory Disorders Clinic

- Populations: Memory disorders, movement disorders, TBI, pre-surgery heart disease prior to ventricular assistive device placement
Supervisor: Russ Bauer, Ph.D., ABPP-CN

Adult ADHD/LD Clinic

- Populations: Adult LD, ADHD, MCI, Asperger's, TBI, competency to return to work post-substance abuse
Supervisor: Duane Dede, Ph.D.

Adult Neuropsychology Clinic (January – March 2012)

- Populations: Memory disorders, movement disorders, pre-/post-DBS, heart disease pre- ventricular assistive device placement or transplant
Supervisor: Catherine Price, Ph.D., ABPP-CN

Pediatric Neuropsychology & Psychoeducational Assessment Clinic (Jan. – June 2012)

- Populations: PDD/ASD, LD, ADHD, ODD, Conduct Disorder, Intellectual Deficiency, Phonological Disorder, Expressive/Receptive Language Disorder
Supervisors: Kerry Silvia, Ph.D.; Shelley Heaton, Ph.D.; Stephen Boggs, Ph.D.

Medical/Health Assessment & Psychotherapy Service

- Conducted outpatient comprehensive medical/health intake assessments across five medical/health clinics:

Insomnia & Behavioral Sleep Medicine

- Other responsibilities: Outpatient psychotherapy to sleep disorder patients using cognitive behavioral therapy for insomnia (CBTi)
- Populations: Sleep disorders, including insomnia and delayed sleep phase syndrome
Supervisor: Christina McCrae, Ph.D., CBSM

Organ Transplant & Donor Clinic

- Populations: Patients and donors going through heart, lung, or kidney transplant
Supervisors: Glenn Ashkanazi, Ph.D.; Robert Guenther, Ph.D.

Psycho-oncology

- Populations: Patients diagnosed with gastrointestinal cancer or leukemia
Supervisors: Deidra Pereira, Ph.D.

Psychotherapy Intake Service

- Populations: Conversion disorder
Supervisors: Patricia Durning, Ph.D.

Psychotherapy Service

- Intakes and psychotherapy for UF Psychology Clinic patients
- Populations: Primary Insomnia (using CBT for insomnia, CBTi), Conversion disorder, Adjustment disorder (related to TBI, Vascular dementia, movement disorder), grief/bereavement, MDD, Bipolar, Panic Disorder, OCD, Anxiety Disorder NOS
- Treatment approaches utilized: Cognitive behavioral therapy (CBT), CBT-insomnia, communication skills training, cognitive rehabilitation (EON-Exec and EON-Mem), interpersonal therapy, problem solving skills training, motivational interviewing, exposure and response prevention, anger management training, body image work, supportive therapy
Supervisors: Dawn Bowers, Ph.D., ABPP-CN; Shelley Heaton, Ph.D.; Christina McCrae, Ph.D., CBSM; Patricia Durning, Ph.D.; Lori Waxenberg, Ph.D., ABPP

Huntington's Disease Center of Excellence, USF Medical Clinics, Tampa, FL 2006-'08, 2010-'11 Graduate Assistant/Neuropsychology trainee

- Provided genetic counseling to individuals at risk for HD to determine readiness for testing.

- Psychological and cognitive evaluations for patients diagnosed with or at risk for HD using the Behavioral, Cognitive, and Functional Examinations of the UHDRS; observed UHDRS motor examinations, social work interviews, and disclosures of genetic test results.
Supervisors: Cynthia R. Cimino, Ph.D., Juan Sanchez-Ramos, Ph.D., M.D.

James A. Haley VA, US Dept. of Veterans Affairs, Tampa, FL
Fall 2009 **Neuropsychology Practicum Extern**

- Inpatient and outpatient psychosocial and neurocognitive assessments of veterans post mTBI.
Supervisor: Heather Belanger, Ph.D., ABPP-CN

Rehabilitation Center, Tampa General Hospital, Tampa, FL
Spring 2007 **Neuropsychology Practicum Extern**

- Inpatient psychosocial and neurocognitive assessments for TBI or stroke
- Observed alertness evaluations on acute trauma patients in a coma or acute recovery
Supervisor: Rebecca McAlaster, Ph.D.

Moffitt Cancer Center, Tampa, FL
2005-2006 **Graduate Assistant/Neuropsychology trainee**

- Psychosocial and neurocognitive assessments of cancer patients (1) prior to bone marrow transplant, (2) pre- or post- brain tumor resection, or (3) with subjective cognitive decline
- Inpatient psychological consults for the patients on the bone marrow unit
- Psychoeducation to pre-transplant patients and families re: bone marrow transplant procedure; Learning disability evaluation for an adolescent client s/p head injury
Supervisor: Margaret Booth-Jones, Ph.D.

Psychological Services Center (PSC), USF, Tampa, FL
2004 – 2010 **Clinical Psychology Trainee/Psychotherapist**

- Adults, adolescent, and child outpatient psychodiagnostic assessment and individual psychotherapy to the following therapy groups/clinics:
 - **Florida Center for Survivors of Torture at the PSC (3 years; 2006-2008, 2009-2010)**
 - Clients included adult and adolescent refugees or asylees living in the U.S. who were forced to flee their country of origin due to persecution and trauma.
 - Targets of treatment: anxiety, PTSD, traumatic bereavement, adjustment, social skills. Treatments: CBT, relaxation training, parent training.
 - Additional Skills: Use of interpreter; specialized survivors of torture training; consulted with LMHCs, physicians, school personnel; attended IEP meetings.
Supervisor: Evelyn Hernandez, Psy.D.
 - **The W.E.L.L.N.E.S.S. Program at the PSC (1 year; 2008-2009)**
 - Targets of treatment: Eating Disorder NOS, body image disturbance, anxiety and depression. Primary treatment: CBT for eating disorders (CBT-E)
Supervisor: Kevin Thompson, Ph.D.
 - **General Adult Psychotherapy (1 year; 2005-2006)**
 - Targets of treatment: major and minor depression, generalized anxiety, low self-esteem, social skill difficulties, maladjustment.
Supervisor: James Epps, Ph.D.
 - **Child/Adolescent Psychotherapy (1 year) & Child Neuropsychology (2010-2011)**
 - Targets of treatment: specific phobia (thunderstorms, dogs), anger management
 - Child & adolescent neuropsychological evaluation for ADHD and LD
Supervisor: Maria Goodwin, Ph.D.
 - **Adult Neuropsychology practicum (1 year; 2004, 2010)**
 - Adult neuropsychological evaluations for suspected dementia, PDD, LBD, adult LD, and cognitive dysfunction associated with epilepsy and HD.
 - Supervised two graduate students
Supervisor: Cynthia R. Cimino, Ph.D.

Institute of Psychiatry, King's College & The Maudsley Hospital, London, England

Spring 2002

Neuropsychology Intern/Psychometrist

- Inpatient and outpatient neurocognitive testing and scoring, assisted with report writing, research literature reviews, assisted with WADA testing for epilepsy patients
Supervisor: Robin Morris, Ph.D.

Lakeside Alternative Mental Health Facility, Orlando, FL

Fall 2001

Psychology Intern/Mental Health Tech

- Inpatient adult Psych Ward intake interviews, lead and attended group therapy sessions

RESEARCH EXPERIENCE

Post-doctoral Fellowship, University of Florida/Shands Hospital, Gainesville, FL

2014 - 2016

Program Coordinator, UF Health Vitality Mind Program (program development/research component of fellowship)

- Coordinated ongoing studies in the UF Health Vitality Mind program, a collaborative program between UF and a local retirement community (The Village) dedicated to exploring ways to maximize cognitive function, mood, and independence in older adults.
- Supervised, mentored, and trained two dozen undergraduate, post-bac, and graduate RAs.
- Presentations to the local community on healthy aging, cognition and mindfulness
- Neuropsychological consultation to residents on cognition, mood, and dementia concerns
Supervisors: Dawn Bowers, Ph.D., ABPP-CN, Michael Marsiske, Ph.D.

Huntington's Disease Center of Excellence, USF Medical Clinics, Tampa, FL

2010 - 2011

Clinical Research Coordinator

- Primary coordinator for two multi-national, multi-center studies: (1) 2CARE, a randomized, double-blind, placebo-controlled study of coenzyme Q10 (CoQ) in individuals with HD seeking to assess the safety, tolerability, and effects of CoQ on the progression of functional decline in HD; (2) Cognitive Assessment Battery (CAB), a prospective, observational study of cognition in early HD, pre-manifest HD, and controls.
- IRB applications, recruitment, administered full study protocols (e.g., cognitive testing, UHDRS evaluations, vitals, medical and family hx interviews, study drug dispensing, AE reporting, specimen centrifuging/shipping, data maintenance, communication with main data center (CTCC in Rochester, NY), attended annual Clinical Research Symposia.
Supervisor: Juan Sanchez-Ramos, Ph.D., M.D.

2006-2008

Research Assistant

- Assisted with development and implementation of study protocols. Main duties: assisted with grant writing and preparation; IRB applications; medical chart reviews; administered study protocols; maintained clinic database; literature reviews.
- Collected electroencephalography (EEG) data using ePrime program (Training received from Geoff Potts, Ph.D., Emanuel Donchin, Ph.D., and Cynthia R. Cimino, Ph.D.)
Supervisor: Cynthia R. Cimino, Ph.D.

Center for the Study of International Languages and Cultures at USF, Tampa, FL

2009

Educational Developer

- Developed socio-cultural lessons for project-based assignments for the Defense Language Institute, an educational and research institution of the U.S. Department of Defense, in collaboration with a team of multinational individuals. Lesson topics include cultural, political, and economic aspects of Afghanistan, Pakistan, and Iran.
Supervisor: Sandra Schneider, Ph.D.

University of South Florida, Dept. of Psychology, Tampa, FL

2004 - 2011

Research Assistant

- Assisted with development and implementation of lab study protocols. Main duties: IRB applications, recruitment, chart reviews (e.g., PD, HD, epilepsy), administered protocols, maintained data (SPSS and Excel), trained and mentored RAs, literature reviews.
Supervisor: Cynthia R. Cimino, Ph.D.

University of Pennsylvania/Abramson Cancer Center, Philadelphia, PA

2002-2004

Research Coordinator/Research Assistant

- Project manager of 3 research studies investigating psychosocial and cognitive aspects of cancer and cancer treatment in prostate cancer, testicular cancer, and in women at familial risk for breast cancer. Duties: set up infrastructure for recruitment and data maintenance (SPSS), study protocol implementation, participant recruitment, IRB/grant writing, literature reviews, caller satisfaction surveys, assembled FORCE/Penn Helpline resource guide.
- Supervised undergraduate research assistants.
Supervisors: Pamela J. Shapiro, Ph.D., James Coyne, Ph.D.

Rollins College, Department of Psychology, Winter Park, FL

Summer 2001

Researcher

- Studies: "The Effects of Gamma-hydroxybutyrate (GHB) on Working Memory in the Long Evans Rat" (Student Investigator) and "The Effects of Hypertension on Working Memory in SHR and WKY Rats" (Sub Student Investigator).
- Supervisor: Mary Anne Hunt, Ph.D.

- Butterfield**, L.C., Song, W., Jacobsen, C., Okun, M.S., & Bowers, D. (2012, February). *Cognitive predictors of quality of life in Parkinson's disease*. International Neuropsychological Society, Montreal, QC, Canada.
- Butterfield**, L.C., Oelke, L.E., Avila, R.T., & Cimino, C.R. (2011, February). *The Use of Clustering Strategies during Memory Retrieval in Parkinson's Disease*. International Neuropsychological Society, Boston, MA.
- Butterfield**, L.C., Oelke, L.E., Cimino, C.R., Hauser, R., & Sanchez-Ramos J. (2009, February). *Apathy, Depression, and Cognitive Functioning in Parkinson's Disease*. International Neuropsychological Society, Atlanta, GA.
- Oelke, L., **Butterfield**, L., Cimino, C., Sanchez-Ramos, J., & Hauser, R. (2009, February). *The Unique Effects of Anxiety and Depression on Cognitive Functioning in Parkinson's Disease*. International Neuropsychological Society, Atlanta, GA.
- Butterfield**, L.C., Oelke, L.E., Cimino, C.R., Hauser, R., & Sanchez-Ramos J. (2008, November). *The Independent Influence of Apathy and Depression on Cognitive Functioning in Parkinson's Disease*. Interdisciplinary Neuroscience Symposium at USF, Tampa, FL.
- Oelke, L., **Butterfield**, L., Cimino, C., Sanchez-Ramos, J., McCall, M., Pugliese, M., Ling, L., Stell, B., & Annis, J. (November, 2008). *Characterization of Frontal Lobe Behavioral Syndromes in Huntington's Disease (HD)*. Second Annual Huntington Disease Clinical Research Symposium, St. Petersburg, FL.
- Shapiro, P. J., **Butterfield**, L. C., Beister, R. C., Coyne, J.C., & Vaughn, D. J. (2007, May). *Androgen deprivation therapy is not associated with cognitive impairment*. Association for Psychological Science, Washington, DC.
- Cimino, C., **Butterfield**, L., Oelke, L., Balderston, C., Sanchez-Ramos, J., & Hauser, R. (2007, February). *Rate of Agreement in Ratings of Apathy between PD Patients and their Caregivers*. International Neuropsychological Society, Portland, OR.
- Cimino, C., Oelke, L., **Butterfield**, L., Fishman, I., Carr, H., & Benbadis, S. (2007, February). *Facilitory and Inhibitory Effects of Emotion on Memory Following Temporal Lobectomy*. International Neuropsychological Society, Portland, OR.
- Butterfield**, L.C., Oelke, L.E., Fishman, I., Heriaud, L., Benbadis, S., & Cimino, C.R. (2006, February). *Quality of Life Following Temporal Lobectomy*. International Neuropsychological Society, Boston, MA.
- Oelke, L.E., **Butterfield**, L.C., Fishman, I., Heriaud, L., Benbadis, S., & Cimino, C.R. (2006, February). *Self and Informant Reports of Subjective Memory in Temporal Lobectomy Patients*. International Neuropsychological Society, Boston, MA.
- Shapiro, P. J., Friedman, S., **Butterfield**, L. C., Walcott-Sap, S., & Coyne, J. C. (2005). *The Penn/F.O.R.C.E. Helpline: Reaching women at risk for hereditary breast and ovarian cancer in the community*. *Annals of Behavioral Medicine*, 28, S86.
- Butterfield**, L. C., & Shapiro, P. J. (2004, February). *Cognitive complaints, cognitive performance, and psychological distress among men with genitourinary cancers*. International Neuropsychological Society, Baltimore, MD.

- Shapiro, P. J., Coyne, J.C., **Butterfield**, L. C., Plotkin, R. C., Malkowicz, S. B., & Vaughn, D. J. (2004). Cognitive performance, psychological distress, and quality of life among men receiving androgen deprivation therapy for treatment of prostate cancer. *Annals of Behavioral Medicine*, 27, S170.
- Shapiro, P. J., **Butterfield**, L. C., Coyne, J. C., Biester, R. C., Matthews, G., & Vaughn, D. J. (July, 2004). *Cognitive function among men receiving androgen deprivation therapy*. American Psychological Association, Honolulu, HI.
- Butterfield**, L.C. & Hunt, M. (2001, August). *The Effects of Gamma-hydroxybutyrate (GHB) on Working Memory in the Long Evans Rat*. Presentation given to faculty and students members of the Rollins College Summer Research Program, Winter Park, FL.

TEACHING EXPERIENCE

University of South Florida, Tampa, FL

- 2009 – 2010 **Course Instructor, Dept. of Psychology**
- Motivation & Emotion, Fall 2009 & Spring 2010

University of South Florida, Tampa, FL

- 2009, 2010 **Thesis Committee Member**
- Served on the Honor's Thesis committee for two undergraduate students in the Psychology Department

University of South Florida, Tampa, FL

- 2004 – '05, 2008 – '09 **Graduate Teaching Assistant (Lab instructor)**
- Introduction to Psychological Science LAB (4 classes), Fall 2008 & Spring 2009
 - Tests & Measurement LAB (3 classes), Summer 2005
 - Research Methods in Psychology LAB (1 class), Spring 2005
 - Statistics and Research Methods in Psychology LAB (1 class), Fall 2004

Rollins College, TPJ Resource Center, Winter Park, FL

- 1999 – 2001 **Tutor for Rollins College Psychology and Education Departments**

INVITED LECTURES (COMMUNITY/UNIVERSITY)

- 05/2024 *What is a Neuropsychologist and How Do I Become One?*
National Psychology Summit, Café Conversation, via Zoom
- 03/2024 *Mind Matters: Navigating Cognitive & Psychological Symptoms in Parkinson's*
Parkinson's Expo hosted by NeuroChallenge Foundation (NCF) for Parkinson's in Bradenton, FL
- 10/2022 *What is a Neuropsychologist and How Do I Become One?*
Café Conversation, Hillsborough Community College
- 04/2022 *What is a Neuropsychologist and How Do I Become One?*
Café Conversation, Hillsborough Community College
- 03/2022 *Psychological and Cognitive Aspects of Parkinson's Disease*
Parkinson's Expo hosted by NeuroChallenge Foundation (NCF) for Parkinson's in Palmetto, FL
- 10/2021 *Neurocognitive Disorders: MCI, Dementia, & Neurodegenerative Disease*
St. Anthony's Hospital
- 04/2021 *Cognition and Mental Health in Parkinson's*
NeuroChallenge Network CE series, NeuroChallenge Foundation (NCF) for Parkinson's
- 01/2021 *Overview of Neurodegenerative Diseases & Associated Cognitive Decline*
BayCare Enterprise Care Coordination (ECCO), via Microsoft Teams
- 01/2021 *Overview of Parkinson's Disease (CE)*
St. Anthony's Hospital, Faith Community Nursing program, via Microsoft Teams
- 12/2020 *Managing Stress and Mood through Mindfulness (CE)*
BayCare Health System, via BlueJeans
- 10/2020 *Finding Peace in a Pandemic: Managing Stress, Worry, and Mood*
NeuroChallenge Foundation (NCF) for Parkinson's, via Zoom
- 08/2020 *Finding Peace in a Pandemic: Managing Stress, Worry, and Mood*
Diversity Lunch & Learn series for employees of BayCare Health, via Microsoft Teams
- 08/2020 *Maintaining Mood and Cultivating Composure*

10/2019 NeuroChallenge Foundation (NCF) for Parkinson's, via Zoom
Tools for Enhancing Cognitive Fitness and Memory
Distinguished Speaker event hosted by NeuroChallenge Foundation (NCF) for Parkinson's in Port Charlotte, FL

04/2019 *With PD or Without: Keeping Your Mind Sharp*
Parkinson Café organization in St. Petersburg, FL

12/2018 *Living Well: Brain Health & Aging (pending)*
Living Well series hosted by BayCare Health, St. Petersburg, FL

07/2018 *With PD or Without: Keeping Your Mind Sharp*
Pinellas Distinguished Speaker event hosted by NeuroChallenge Foundation (NCF) for Parkinson's in Largo, FL

07/2018 *Aging & The Brain: Ways to Protect & Maintain Cognitive Health*
Wellness series to employees of the Raytheon defense contractor in St. Petersburg, FL

04/2018 *Aging & The Brain With & Without PD: Ways to Protect & Maintain Cognition*
Parkinson Café, organization for individuals with PD and their families, in St. Petersburg, FL

03/2018 *Aging & The Brain: Ways to Protect & Maintain Cognitive Health*
St. Anthony's Hospital Women's Council in St. Petersburg, FL

06/2017 *Aging & The Brain: Ways to Protect and Maintain Cognitive Health*
Wellness series to employees of the City of Tampa in Tampa, FL

05/2017 *Living Well: Managing Stress*
Living Well series hosted by BayCare Health, St. Petersburg, FL

05/2017 *Protecting and Maintaining Cognitive Health through the Golden Years*
Parkinson Café organization in St. Petersburg, FL

03/2017 *Navigating Depression & Mood*
The Victory Summit Southwest Florida by the Davis Phinney Foundation for Parkinson's

10/2016 *Mindfulness for Caregivers: Benefits for Mind & Body*
Memory Disorders Center at St. Anthony's Hospital in St. Petersburg, FL

08/2016 *Boost Your Brain: Ways to Protect and Maintain Cognitive Health*
Wellness series to employees of the City of Tampa in Tampa, FL

11/2015 *Brain Health & Mindfulness Meditation*
The Village retirement community in Gainesville, FL

06-12/2014 *Benefits of Cognitive training and Mindfulness Meditation on Thinking and Mood*
7 lectures; The Village retirement community residents, Gainesville, FL

06/2014 *Parkinson's Active Living (PAL) program: A Behavioral Intervention for Apathy in PD*
UF Center for Movement Disorders and Neurorestoration (CMDN), Gainesville, FL

08/2012 - *Mood, Motivation, and Cognitive Changes in Parkinson's Disease*
01/2013 3 lectures; FL Hospital PD support groups in Orlando, Winter Garden, & Altamonte Springs, FL

09/2011 *Coping with Depression and Apathy in Parkinson's Disease*
Gainesville Parkinson's Disease support group, Center for Movement Disorders and Neurorestoration (CMDN), Gainesville, FL

09/2008 *Cognition*
Introduction to Psychological Science class at USF (350 undergraduates), Tampa, FL

09/2007 *Coping Strategies for Huntington's Disease Patients and Their Caregivers*
Huntington's support group, Tampa, FL

08/2007 *Maintaining Brain Health: Tips and Tricks*
Osher Lifelong Learning Institute at USF, Tampa, FL

11/2006 *Emotional and cognitive functioning in Parkinson's disease*
College Student Interest Group in Neurology (Co-SIGN) at USF, Tampa, FL

PROFESSIONAL SERVICE & EDITORIAL ACTIVITIES
