### **Old Business**

Gretchen asked everyone to type up their thoughts on our last event. He asked that we answer 4 questions: What difficulties did we have with this event? What frustrated you about the event? What suggestions do you have for this event in the future? What are some negative and positives from this event? She asked that we all have them typed and sent to his email.

### **New Business**

Aioli's event in January

- Aioli's novice project will be a Sister's Trivia night. They are looking towards the end of January for their event. We do not have an official venue yet, but believe it will be Maggie Myers Bar. It was suggested that Sisters sell answers for \$1, \$3, and \$5, with the highest amount being the most likely to be correct. Gretchen suggested a funny phrase to use for the selling of answers "We'll always cheat to raise money for charity"
