Vice President's Report

Sister Double Penetration and Guard Mary KrisMissTrie attended the Pink Panty Pull Down hosted by the Music City Sisters in Nashville. They had a great time, Trie gave out RCS buttons. They met Tony, a Huntsville resident, and the event and invited him to join us at our next meeting. (Which he did)

Master of Alms (Treasurer) Report

Guard Mary KrissMissTrie reported that our check to the IRS for our 501(c)3 application cleared our bank account on January 30, 2020. We raised \$194 with our Bingo Nun Style. Our current account balance is \$702.66, of which \$254 is reserved for the donation to The Mana House, leaving our current working balance as \$448.

Mistress of the Web and Propaganda Report

Sister Joan of Cox has updated the website with recent event pictures, though he noted he forgot to include the October Pride Festival events and will include them on the site soon. We gained 14 new followers on instagram in the last month, and 6-8 on Facebook. Joan will begin preparing the site for Exiquaitor application.

Reports of House Progression

Gretchen plans on asking our co-moms if our website can count as one of our projects. Our co-moms want us to get our house status and exiquaitor done to make room for new missions. In April our house

will be presented to the UNPC for fully professed house status. We will have to have one more facebook live event. Our last event will be our bliss pack building day.

Old Business

- *Bingo "Nun Style" was a blast. We raised \$194, and we paddled lots of folks for calling false bingos. Everybody loved the prize selection. It is duely noted that the next time we do this event we need a softer paddle, preferably leather.*

New Business

- *We discussed our Exiquator. Assuming approval by the UNPC we would like to hold our Exiquator events from September 17-19, 2020. This is over the Jewish holiday of Rosh Hashana and the beginning of the new year in their calendar. It is also close to the Autumnal Equinox. It's also close to the anniversary of our dear Guard Trie and her S.O. We would like to hold the actual Exiquator on the night of the 19th.*

Projects (10 minutes each)

Bliss Pack Assembling. Sister Joan has worked with his Mother-in-law who is a local OBGYN to revise the Play Fair pamphlet to be more inclusive of the LGBTQ+ community. They have also updated it and redesigned it to cater more to today's community. It has been reduced to a 9 page pamphlet that folds into the size of a condom. Joan will pick up the condoms from the local health department, the cases from Thrive Alabama, and the lubricants and female condoms from Dr. Rachel Petersen's office and from Pleasures, and will secure printing of the pamphlet. We will gather at Grateful Life Church March 8th, at 7pm for pizza, a movie, and bliss kit building.

Motion to Adjourn at 7:53pm
