## **New Business**

### **Choosing a name:**

**Rocket City Sisters** was chosen from among 5 different suggestions thrown out at the meeting. RCS because in the 1940's Huntsville took its place in history as a developer of rocket parts and in the 1950's became home to **Wernher Magnus Maximilian Freiherr von Braun** (March 23, 1912 – June 16, 1977) who worked directly for NASA on manned space flight.

### **Discuss habits and coronets:**

We were presented with 5 different habits and settled on one from a Movie: Star Wars.

We were presented with 5 different coronets. This decision was not as easy and we rejected the ideas presented. At our next meeting 5 more coronet possibilities will be presented by Terry Miller.

### **Policies and Procedures:**

Email of possible PnP's was sent to everyone. A brief discussion of these PnP's took place with no decision on our PnP's reached at this time.

### **Get contact information of local LGBTQIA groups:**

Pride, Deja Vieux, Thrive. These are the major LGBTQIA organizations in Huntsville. There are two others that are considered on the fringe and later involvement will be considered once we establish our presence in Huntsville.

### **Plan first outing for January 2019**

### **Discuss funding of 501c3:**

A Fundraiser to earn the \$500 fee associated with a non-profit application took place. We decided to reach out to the bar (the only gay one in Huntsville) Deja Vieux to host our fundraising efforts.

### **Discuss logo:**

We hope to finalize by November or December our Logo design. Once we have a meeting with the Co-MoM's for the UNPC, we will seek their assistance in Logo designers.

**Abby name:**

Abby of the Stars and Beyond

**House Moto:**

“Going where no Sister has gone before”
