A total of 6 new members were picked up after our 1<sup>st</sup> manifestation in face. We welcomed them and had them fill out a new member information form. All signed a commitment to stay with the group until we became a Full House. One of our original member's work schedule changed and she did not make the meeting, Morgan Parker.

**Minutes from Last Meeting were read and approved**

**Video Welcome:**

A video presentation of Rocket City Sisters was shown by Terry Miller to our new members which welcomed them into the group.

## **Old Business**

**Coronets and Habits Revisited:**

Having decided on Coronets and Habits before the new members joined, we ask for their input on the designs (since they are joining us on our journey). All new members were excited by the designs and even offered to help make these designs come to life.

**Logo Revisited:**

After the last meeting when Sister Unity offered to give our design to a graphic designer, we discussed concept with the new members and let them know that we will be sent a final

concept for approval in a couple of months. The new members were very excited by the draft concept.

## **New Business**

### **Outings as Sisters:**

We reviewed our First outing in “face” representing RCS on February 2<sup>nd</sup>. Obviously, the outing had reaching affect. We discussed our next outing on the 23<sup>rd</sup>. Guard Harry (Elliot Jackson) suggested that we get the new members out in the public and suggested we attend Huntsville’s First Drag Brunch in a few days on Sunday, February 17<sup>th</sup> at Straight to Ale Brewing Company. The group quickly decided this was a great idea.

### **Set time and place for next meeting:**

March 11th, Las Vias Restaurant

We will decide on a new location centrally located in Huntsville near the Deja Vieux Bar at our next meeting. (We may decide on a new location via our text messages each day and start the meeting at the new location in March)
