

Quackcom Service Rates

The following rates apply unless otherwise specified in a separate service agreement, project proposal, or work authorization. All labor rates are billed per technician.

Standard Labor Rates

Service Category	Rate
Infrastructure Services	\$125/hr. per technician
Advanced Infrastructure Services	\$175/hr. per technician
IT Services & Support	\$175/hr. per technician

After-Hours & Holiday Service Rates

Service Type	Rate
After-Hours Service	1.5x Standard Labor Rate
Holiday Service	2x Standard Labor Rate

Travel & Out-of-Market Services

Projects located outside our standard service area may be subject to additional charges, including travel time, mileage, lodging, per diem expenses, and other project-related travel costs. Applicable charges will be communicated and approved prior to scheduling services.

Additional Billing Information

- All labor rates are billed per technician.
- Minimum service charges may apply.
- Rates are subject to change without notice.
- Certain services may be governed by separate service agreements, project proposals, or contract-specific pricing. Where applicable, those terms shall supersede this published rate schedule.
- Billing begins when technician is in route to job and ends when work order is completed.
