

Hello Spring: What's Blooming in Our Community!

Summer Camp

Get ready for the adventure of a lifetime! Join us at JGEC Summer Camp this summer for fun-filled days of outdoor activities, learning, playing and making memories that will last forever. We're excited to offer some new themes (Minecraft, Roblox, Coding, YouTube, LEGO), while continuing to offer the classics. Whether you're into gaming and programming, sports, arts, STEM activities, or nature exploration, there's something for everyone. Don't miss out on the ultimate summer experience — sign up today and make this summer unforgettable!

Tax Statements

244

Department of the Treasury
Internal Revenue Service

In prior years we have had to scroll through each account and click to individually send tax statements (there is no way for us to simply click one "send tax statements" button). However, ProCare has incorporated the ability for parents to download tax statements.

You'll need to log into ProCare on a web browser and then follow the instructions at this link:

<https://www.procaresupport.com/procare-online/docs/parents-printing-statements-for-year-end-taxes-or-reimbursement-1>

If you cannot get it to work, please message us and we'll go to your account to send your statement via email.

Spring Break

Spring Break will be here before you know it! If you need care for the half day on March 7th or for Spring break, please sign up on our website. Signups will close on Sunday, March 1, 2025.

Promising Scholars

We are very nearly full for care during Promising Scholars. If you have signed your child up for Promising Scholars at Julia Green in the month of June AND you need before and/or after school care, please message us ASAP.

If you have already messaged us or signed up online, we've got you down.

2025-26 School Year Registration

Sign ups for next school year are officially open. Please do NOT create a second account for a child that already has a ProCare account with us. All you need to do is message us through ProCare and we'll get you signed up. Your message needs to say:

Please register (student's name) up for (before and/or after) care next school year. I confirm that our emergency contact information, medical information, and authorized pickups are still the same (or if you need to make changes to that information message us those changes).

Registration fee for those returning to care will be discounted to \$30 if you sign up before April 1st. After April 30th, the fee will increase to the regular \$65 annual fee. We've already received requests for several new students, so please secure your spot ASAP. After April 1st you will risk being placed on our waiting list.

If you know you are not returning, you can also message us that information and we'll make a note.

For those who only participate in extended days, you will also need to re-register and pay the fee for next school year. Your fee will be discounted to \$20 for the year and \$30 after April 1st. If you do not register now, when you utilize your first day, you will need to pay the registration fee at that time.
