

## Farewell Promising Scholars

Thank you all SO much for trusting us with your children during before/after care for promising scholars.

Though our time was short, we enjoyed getting to know your students and are grateful to have been a part of their experience.

A few housekeeping items:

1. We will have end of year surveys for your students and for you to fill out at pickup. These are usually done in May and turned in to MNPS, however, MNPS just got them out to us. We appreciate your honest feedback while recognizing we've had a limited opportunity to get to know one another.
2. If we have your child's medication, please be sure to pick it up today or tomorrow.
3. Please come into the building to check lost and found today or tomorrow if your student is missing any items. These items will not be retained. We will turn them in to the main office and they will donate them through their processes.
4. We will be having pizza tomorrow for snack!

---

## Future Care Opportunities

**School Year Extended Days**  
***(We are open on breaks and in service days.)***

You've paid a registration fee for the school year; please feel free to utilize us for care on extended days during the school year. Our anticipated schedule is attached. While it is not likely, if we do not have sufficient sign ups for any given day, we will end up closing. We would give at least one week notice and issue a refund if we end up cancelling.

To sign up for any of these days navigate to our website ([jgec.info](http://jgec.info)) and click on the events tab, then click on Non-monthly participant and sign up for whatever days you need care for. These sign ups are typically open until one week before the event.

When the online sign up closes, you can always message us through ProCare or text (629-278-8633) to see if we have space available.

**Future Summers**

***Promising Scholars*** - Please keep us in mind for future promising scholars. If Julia Green is a promising scholars location, we will be here. If it is not, we will be in another school location.

***Summer Camp*** - Additionally, we offer full day summer camp with extended hours included in the camp fee (7:30 AM - 5:45 PM). We would love to see your students again in future years!

***A Note about registration*** - while you may need to pay a registration fee in future years, you DO NOT need to re-register through ProCare. We already have your students' information so you can always send us a message or sign up on line (when available) for care. There is no need to create a duplicate ProCare profile for the same student with JGEC.

Wishing everyone a fabulous rest of summer  
including a happy and safe 4th of July!

Thanks again!!

JGEC
