Other Debt Payments		

Please list and explain any other monthly payments:

<u>Household 1</u>	<u>Household 2</u>

Please describe any activities that household members participate in and include those fees (include sports, tuition, etc.):

<u>Household 1</u>	<u>Household 2</u>

If your student(s) are unable to participate in JGEC, what will s/he do haver school?

How much are you able to afford to pay for before and after school services and which services are you needing? (The payments can be split between households if needed – indicate that preference below.)

Please list any other relevant information that you feel should be considered:

Parental Agreement:

I understand that if my income/expense situation improves, I am required to notify JGEC in writing and will be asked to modify the application for financial aid. This may result in a modified amount of financial aid. Failure to report a significant change in financial circumstance will result in a forfeiture of ability to participate in JGEC services including extended care, extended days, and summer services.

Further, I understand that a receipt of aid does not guarantee my student(s) will have a position in the program. Program participants remain subject to the JGEC disciplinary policies and can be suspended and/or expelled from the program.

Lastly, the financial aid application will need to be completed every year. All applications received one month prior to the start of any program will be reviewed by The Board and decisions will be made and communicated to parents 3 weeks before the beginning of the program. Any applications received after that date will be considered as they are received and awards will be granted based on remaining available scholarship funds. Parents shall have one week to notify JGEC if they wish to accept any financial aid; after the week, the aid will be considered surrendered and may be granted to another student.

I understand that JGEC complies with applicable Federal civil rights laws and does not discriminate on the basis of race, color, national origin, age, disability, or sex (including pregnancy, sexual orientation, and gender identity). Any scholarship funds awarded shall be the result of the financial information included in this application along with the availability of scholarship dollars.

Signatures and Date:

<u>Household 1</u>	<u>Household 2</u>

*Please include state aid denial letters, along with copies of tax returns, recent bank statements, and any other financial proof when submitting the aid application. Applications without support will not be considered.
