

DELTA TIMERS

OFFICIAL AGGREGATOR FOR MSS (DIGITAL MOTORSPORTS)

PRESS RELEASE

23 October 2021

DELTA TIMERS PTE LTD OFFICIALLY APPOINTED BY MOTOR SPORTS SINGAPORE (MSS) AS THE OFFICIAL AGGREGATOR FOR DIGITAL MOTORSPORTS IN SINGAPORE

We are proud to be officially appointed by Motor Sports Singapore (MSS) to co-develop the ecosystem of digital motorsports and associated motorsports activities in Singapore.

Digital Motor Sports is one of the fastest growing disciplines around the world and we recognise the importance of governance for this discipline and the need for engagement of the dedicated community of online racers.

Through the organisation of digital events, and together with MSS, we are planning to grow and engage this discipline. Delta Timers plans to run a number of its key development programs, in support of our objectives below.

Objective

1. To create a strong digital motorsports presence in Singapore.
2. To capitalise on the growth of digital motorsports around the region by facilitating appropriate events.
3. To build a strong ecosystem with MSS' members, partners and media.
4. To build a positive MSS' members engagement experience through creative events management.

Plans

To actively organise digital motorsports events to engage members, develop a community of skilled professionals in various disciplines of the sport, and grow digital motorsports for the larger community in Singapore.

Roles

Delta Timers Pte Ltd

1. Delta Timers will be appointed as the event organiser for stipulated digital programs, and will be responsible for creating, developing and executing the events.
2. Delta Timers will be responsible for sourcing of sponsors, co-sponsors for these events, liaise with relevant government agencies in order to comply with licenses, rules and regulations in Singapore.

Motor Sports Singapore

1. MSS will be the sole entity to develop, regulate, control and enforce disciplines across any and all virtual/electronic motor sport activities and competitions under all forms and facilitating championships in virtual/electronic motor sport.
2. MSS will work closely with Delta Timers in the creation and development of ideas for events.
3. MSS will support Delta Timers in sourcing sponsors for the events.
