With your best understanding of BIZ FIT events, activities, approach and purpose, what is the primary activity or service that you would like to present at a BIZ FIT retreat, and why:

Would you be willing and able to promote a retreat partnership to your clients?

What is the primary way you communicate with your clients or listserve?

How many clients or subscribers do you have on your list?

How confident are you that your clients would be interested in registering for a BIZ FIT retreat? Please explain.

BIZ FIT retreats are planned with a 12 week advance minimum and are announced 8 weeks in advance of the retreat dates. With this in mind, what timeframe in the year would be the ideal time for your partnership?

Many BIZ FIT retreats will be offered in northern Arizona, specifically Sedona or Page. Are you interested in highlighting your business or your service in these areas?

What are other locations that you can suggest to offer your business or service? Please explain.

Do you hold personal liability or general liability insurance for your business or service?

What is an example of your rate to perform your business or service? Please include all associated fees (travel, if applicable)

In your words, how will the inclusion of your activity or service enhance a BIZ FIT retreat? And, what benefit will you provide to guests by offering your activity or service?

Partners are expected to promote their associated retreat not only to their listserve, but also on social media. Do you use Instagram and Facebook for marketing purposes?

NOTE: Partners will also be asked to provide marketing content applicable to their service including descriptions, images, videos, and biographical information of provider.
