KEY POINTS

1. God Sets the Lines

- From Sinai to the Promised Land, boundaries are covenant markers of inheritance, protection, and order.

2. God Is Not Partisan

- The Commander of the LORD's Army didn't take sides — He came to enforce God's side.

3. Moving Stones Is Injustice

- Whether in land or legislation, shifting boundaries for advantage distorts God's order.

4. Babylon's Playbook

- Babylon changes boundaries — moral, family, civic — to gain control.

5. The Church's Call

- Be *Repairers of the Breach* (Isaiah 58:12) — restore God’s boundaries in personal life and public life.
-
