**Dynamic Dance Company Inc.**  
**Covid 19 Safety Protocols**

A screening google form must be completed everyday before the dancer enters the studio.

Lockers will be available in the change rooms for a rental fee to keep personal items safe. This is for competitive students and recreational students who do 4 or more styles of dance.

Recreational students will be able to leave their belongings separate from others in individual spots outside of the studios.

Daily temperature checks before the dancer enters the studio.

Hand sanitizer upon arrival to the studio.

Hand sanitizer will be available at the front desk and in each studio.

Masks will be mandatory in the lobby of the studio for dancers and parents.

We will ensure physical distancing inside and in the common areas of the studio.

Staff will ensure that all students are frequently washing their hands.

Frequent cleaning/disinfecting will be done around the studio throughout the day/evening.

A thorough cleaning will be done at the beginning and end of everyday.

Recreational classes will be capped to adhere to social distancing protocols.

If a dancer is unwell, they should remain home and contact us immediately to let us know.

No parents allowed in the studio for dancers ages 7&up until further notice.

One parent may accompany their dancer into the studio if they are 6 and under. Parental viewing will not be permitted until further notice to maintain social distancing at all times.
