FIAP 2024 Congress Photo Opportunities

The International Federation of Photographic Art (FIAP) held its 36th Congress and 11th General Assembly in India, from November 1 to 7, 2024. The FIAP Congress is the formal meeting of the FIAP-member country's Liaison Officers every other year. The FIAP General Assembly meets once a year between August and December, every other year during the FIAP Congress.

During the Congress there were photo opportunities for Group A (the FIAP Official Delegates) and Group B (others registered). When the Official Delegates were not meeting, the two groups photographed together. The photography locations included: Pushkar Fair, Jaipur's Amber Fort, the Taj Mahal in Agra, the Agra Fort, and Humayun's Tomb. Models were provided at most locations.

Three Congress Gala Dinners

A Welcome Gala Dinner was held on November 2, the FIAP Award Gala Dinner was held November 4, and the Farewell Gala Dinner was held November 6. Music was provided at all dinners.
