

# M<sup>4</sup> MARILYN'S MONDAY MORNING MESSAGE

## Runaway Success in Uncertain Times

Uncertainty can cloud the path forward, but it doesn't have to limit the outcome. True success often emerges in the most unpredictable seasons – when focus, adaptability, and hope work together. Maya Angelou remarked that “You may not control all the events that happen to you, but you can decide not to be reduced by them.” Reinforced by Winston Churchill's thoughts that “Success is not final, failure is not fatal: it is the courage to continue that counts.”

Accordingly, Runaway Success in Uncertain Times can be built by blending knowledge, experience, core values, and strategic discipline with everyday habits that strengthen both performance and perspective:

1. Stay focused on your vision – and adjust when needed.
2. Keep it simple – clarity creates impact.
3. Protect your time by saying no when necessary.
4. Work less. Think more.
5. Learn something new every day.
6. Maintain balance through healthy choices.
7. Refine ideas instead of discarding them.
8. Find the silver lining in setbacks.
9. Let results, not words, speak for you.

### Major Point:

Runaway success in uncertain times is about leading with clarity, resilience, and quiet confidence – knowing that hope and hard work still move us forward.
