
FREEDOM- RESPONSIBILITY-UNITY

M⁴ Marilyn's Monday Morning Message

“Living Into Our Independence”

As we enter this week and prepare to celebrate Independence Day, may we take a moment to reflect on what independence truly means—not just as a nation, but in our daily lives.

Independence is not only a gift to be honored, but a responsibility to live into—with courage, compassion, and clarity. It means the freedom to think, to grow, to serve, and to speak up.

It reminds us to uplift one another, especially those whose voices have been overlooked.

Let us recommit to shaping communities where all can thrive—rooted in the ideals of liberty, justice, and mutual respect.

“Those who deny freedom to others, deserve it not for themselves.” — Abraham Lincoln

“Here's to a week of purpose, progress, and peace. Embrace this opportunity”-Marilyn
