

# WHAT TRANSIT EMPLOYEES NEED TO KNOW ABOUT MEDICATION USE

YOU ARE RESPONSIBLE FOR ENSURING YOUR OWN FITNESS FOR DUTY, SO BE SURE TO TELL YOUR DOCTOR THAT YOUR JOB DUTIES ARE SAFETY-SENSITIVE.

TAKE YOUR FIRST DOSAGE OF A NEW MEDICATION WHILE YOU ARE OFF-DUTY.

INFORM YOUR PHYSICIAN IF YOU EXPERIENCE ANY NEGATIVE SIDE EFFECTS OR IMPAIRMENT.

FOLLOWING A DRUG TEST, YOUR EMPLOYER'S MEDICAL REVIEW OFFICER MAY CONTACT YOU. HE OR SHE MAY ASK TO SPEAK WITH YOUR PRESCRIBING PHYSICIAN.
