

JULY 1, 2022 | LOVED BY CELEBRITIES, CELEBRITIES

Jennifer Aniston

'I love CACI... A couple of my girlfriends and makeup artist Gucci Westman turned me onto the CACI and the LED red light therapy. She has amazing skin. Try anything and if it starts to work then it's a great thing to have. We are really moving forward with technology to do with our skin and it's fabulous.'

'It's like a little workout for your face.'
