			9:00 AM Dressing Room / Recital Hall /Green Room Opens	9:00- AM: BLISS LOBBY OPENS to audience?
			9:00 AM THEATRE OPEN to SPEAKERS FOR PRACTICE  This is <i>highly</i> suggested: Speakers, it's your only chance to run through your talk in the space before the full dress rehearsal (which is filmed for back-up footage). Working in a new space, under lights and close to the audience as in this theatre, takes a little adjustment.  If you know you are not available for this dry run rehearsal from 9 am-2 pm or only at a specific time, please let Your speaker coach know ASAP. (See contact sheet)  Our goal is to run through the talks <i>in order</i> . This is the time to stop if necessary to fix or adjust anything or answer speaker questions.  STAFF/CREW: We will be dry-running through all light/sound/camera/projection cues as well.	10:00 AM: TEDxYOUNGSTOWN "Emergence" EVENT BEGINS!
