

MOBILE MEALS

On Wednesdays, we will be out and about delivering our homemade food

Our intention is to reach those who cannot reach us, for people who have a hard time getting out of the house due to a disability and/or seniors with limited abilities and resources. The meals are affordable, and delivery is free, for some deliveries a minimum \$30 order is required.

Some meals will come frozen for example lasagnas, shepherd's pies, chili's, pizza's, pasta sauce, meatballs, and soups; and some will come fresh & ready for your fridge for example: salads, sub sandwiches, quesadilla's & baking, & chimichanga burrito's.

Here's how it works; you give us a call on Monday to give us your order and we will deliver it to you on Wednesday! Program starts January 24th with our first delivery on the 26th. Please give us a call if you are interested in joining our program 475-5631
