

Core Competencies

- Virtual mail for travelling service personnel
- We offer would be Entrepreneurs guidance and training to assist in starting their own business, giving the unemployed, underemployed or unemployable a blue print for creating a better life for those who are reentering the workforce or facing impending layoff or closure of their present workplaces.
- WORD, POWERPOINT, CANVA, and basic 3D modeling training
- Document prep services to include, mail presort, digital scanning, resume, notary/Apostille services
- Graphic design services include minimalistic 3d models

Differentiators

- We provide regularly scheduled progress reports to our customers
- We are committed to delivering quality products & services on time, every time.
- Supplier diversity is a normal part of our business, not a program
- One way we give back to the community we serve is by employing those from our HubZone

We saved MARTA thousands of dollars by managing rail employees and train schedules, which increased their on time performance for four consecutive years in a row. This also included service during the height of Covid 19
