What do they do in the morning? What do they do in the afternoon? Evenng? Have them write out a schedule for the day to collect their ideas before talking about them with a classmate. Give your students a chance to share some of their culture as your class studies the simple present. el diario de greg 4 libro completo en español para leer Have them finish this sentence: People in my country... This is also a good chance to introduce some adverbs like 'usually', 'typically' or 'often'. You can also practice negative sentences or negative adverbs (never, rarely, infrequently) with this activity. Your students can get to know each other while they practice using the present tense. Have pairs of students ask questions about the hobbies and interests of their partner. Then, have each person introduce their partner to the rest of the class. This is a good time to practice using questions in the present tense. Sensory observations are always stated in the simple present. Have your students observe their surroundings in your classroom or at home. If possible, students should note their surroundings in regards to all five senses like: Sight Hearing Feel Touch Taste Let your students use their imaginations as they practice the simple present. black and decker ldx120c manual Students picture a place that they would like to visit, and they write five sensory statements as if they were at that place. Then, have your other students guess where their classmate is. They should ask questions following this pattern: Are you _____?
