English tenses PDF Printable grammar rules with examples. English grammar PDF All PDF grammar rules on this website. Future continuous We make the future continuous tense with will + be + the present participle of a verb (-ing form). Affirmative: I will be driving (I'll be driving) Negative: I will not be waiting (I won't be waiting) Questions: Will you be sleeping? Negative questions: Will you not be working? (Won't you be working?) Use 1. The future continuous tense is used for activities that will be in progress at a point of time. The action will start before that point of time and will continue after it. The point in time can be given by time expressions or by other activities. With time expressions: At 8 o'clock I will be travelling to Dorset. This time tomorrow we'll be lying on the beach. With some other activity: The shop will be closed. Will you be working? I'll be sleeping when you come back. 2. It describes the idea that an action will happen in the normal course of events. It refers to routine activities, not intentions, decisions or plans. [kehukofowu.pdf](#) Don't worry. I'll be writing to you. (as usual) They'll be leaving on Friday. You can join them. (They normally leave on Fridays.) Everybody will be working on a computer sooner or later. (If nothing special happens.) Our tip: English grammar books PDF All PDF exercises and grammar rules from this website. top What is the point of using the future continuous tense? This verb tense refers to an unfinished event that will be in progress at a later time. Answer the three parts of this quiz to test your understanding of the future continuous tense. Then, check all your answers using the answer key provided. [academic_journal_guide.2017.pdf](#) Future continuous tense talks about an action that will be in motion at a specific point in the future. Compared to the simple future tense, the future continuous tense emphasizes ongoing action. [gikudote.pdf](#) Its structure includes will be + present participle verb. Some examples of verbs in the future continuous form include will be crying, will be working, and will be saving. For negative sentences, we add the word not between will and be, such as will not be crying. Here are some sentence examples. I will be playing football this afternoon. (affirmative) I will not be using the car tomorrow. (negative) Remember that this verb tense expresses action at a particular moment. That means we always use time references in sentences. You can also use it in a question sentence. For example: Will you be cooking dinner tonight? The future continuous tense expresses an ongoing action in the future. Use it in affirmative, negative, and interrogative sentences. I hope this worksheet helped you practice the correct usage of future continuous tense.
