

SILVER LAKE ACADEMY FOR HEALTH SCIENCES

Interest Form

Opening 2027

Is your son or daughter interested in a career in health and medicine?

Silver Lake Academy for Health Sciences is a college-preparatory high school designed for students who are interested in pursuing careers in the medical sciences, including nursing, medicine, physical therapy and related professions.

Silver Lake Academy for Health Sciences is **Tuition Free** for Putnam County families.

Our school will be within a few miles of the intersection of FL-19 and FL-20. Our exact location is being finalized and will be posted on our website soon.

For details, please visit our website: SilverLake.Academy
