

SILVER LAKE ACADEMY FOR HEALTH SCIENCES

Interest Form

Target opening August 2027

Silver Lake Academy for Health Sciences is a selective, college preparatory private school for grades 7-12. The school is tuition-free for Putnam County families. Students earn a Florida high school diploma with coursework that prepares them for college and then a career as a licensed medical professional -- such as a physician, nurse, physical therapist, physician assistant, occupational therapist, veterinarian, and similar fields. The school will be located in Palatka (likely on Crill Ave or St Johns Ave). For details, visit our website: [SilverLakeAcademy](https://SilverLakeAcademy.com)

Acceptance is competitive. Diagnostic testing includes competency in math and English and an IQ test. Enrollment is capped at 15 students. There is a \$50 application and diagnostic testing fee when applications open. Students who are not accepted will be refunded this \$50 fee.

This sheet is not an application. It only tells us you want to be notified when applications open.
